

Check out some of our 4th graders who participated on some of our local sports teams. Being active and involved in athletics is not only great for staying in shape and keeping healthy - It's also a great way to form relationships with your peers, especially from other towns. Throughout the year, I often send flyers for camps and sports teams. Be on the lookout during the 23-24 school year.

I wish everyone a safe, healthy, and fun summer!!!

Check out some of the players from the Lakeland 10U Softball Team who posed for a picture during the fourth grade Kids Choice Awards Ceremony.

Here is a picture of some of the players who played on the Lenape Lady Patriots Softball and Lenape Jaguars Soccer teams.

Check out a picture of Emi in a recent playoff game. The word on the street is that they purposely pitched around her.

Please join me in congratulating Angie Martinez and Lizzie Albensi. Angie and Lizzie play for the Lakeland Minors team and were selected for the all star team. They played in the Sussex County Minors All Star game at Sussex County Community College and their team won 27-3. That's awesome!!!

CONGRATS GIRLS!!!!!!!!!!!!!!!!!!!!!!
