

Dear Netcong Learning Community,

Due to the inclement weather, the Netcong School District will operate on a delayed opening schedule on Tuesday, March 7, 2023. Students who participate in the breakfast program should report to school this morning at 9:30 am for breakfast. All other students should plan to report to school today at 9:50 am. Homeroom and first period will begin promptly at 10:00 am. Thank you.
