News Blast 1-6-23

Welcome 2023!!! What's Your Child's Goals For This Year?

As we enter the new year, I encourage each and every parent to have a conversation with their child. What were your child's successes and achievements at Netcong Elementary School during 2022? CELEBRATE those achievements!!! Is there an area or subject your child could do better in or demonstrate more success in 2023? Why not make a New Years Resolution? The options are endless and can go beyond academics. I encourage students and parents to share their resolutions with our teaching staff. We firmly believe that a strong home and school partnership is crucial. Thus, please share your discussions and resolutions so we can work together to help your child reach their goals.
