Netcong Teacher & Educational Specialist of The Year:

As noted in previous communication:

We have some excellent teachers and educational specialists in Netcong and we are asking all members of the school community (staff, parents/guardians, students, and community members) to nominate a teacher and educational specialist who is dedicated, inspiring, and making a difference. Thus, please utilize the attached form and nominate a teacher and/or educational specialist. Nomination forms must be received in the main office **by 3pm on Friday, October 28th**. You can drop off your nomination form or e-mail to kdilley@netcongschool.org. Upon reviewing the nomination form, you will find the criteria regarding how each nominee will be scored by a panel of individuals.

Your anticipated cooperation and involvement in this process is appreciated as we continue to promote a culture in Netcong that recognizes excellence, creates a sense of pride, and brings public attention to the work of our outstanding educators.
