## The Nicholas Wihlborg Foundation Silent Night Game Belyvidere vs Lenape Valley February 16, 2023, 7 p.m.

The Nicholas Wihlborg Foundation is pleased to partner with the Lenape Valley Basketball team for the seventh annual Silent Night Basketball game!

Nick Wihlborg was a resident of Stanhope who passed away from Leukemia in 2014. Our Foundation's goal is to help families who are facing the same fight that the Wihlborgs did. Come cheer on both teams as they play in Nick's memory and join us in our fight to eliminate childhood cancer.

The game will be a Silent Night game – stay completely quiet until Lenape scores their 8<sup>th</sup> point (to honor Nick) and then **go completely nuts!**

There will be no admissions fee for the game, however, donations to the Foundation will be greatly appreciated!

**We will be holding a 50/50 Raffle – buy tickets to win!**
